Professional Summary

Dedicated and enthusiastic MCA graduate with strong knowledge of Python, Data Science, Artificial Intelligence, and Machine Learning. Passionate about teaching, mentoring students, and applying technical knowledge to create an engaging learning environment. Seeking a Lecturer position to contribute to students' academic and professional development.

Technical Skills

Python, Java, C, C++, HTML, CSS, JavaScript, MySQL, Data Structures, DBMS, Object-Oriented Programming, Software Engineering, Operating Systems, Computer Networks, Artificial Intelligence, Machine Learning, Data Science, GitHub, Visual Studio Code, Jupyter Notebook, Android Studio.

Internships

1. Python Full Stack Intern

Axilex Consultancy Services Pvt. Ltd. | Completed

- Working on Python-based full stack application development
- Learning backend integration, debugging, and deployment concepts

2. AI in Cyber Security Intern

Rooman Technologies | Completed

- Learned AI applications in cybersecurity and threat detection concepts
- Worked on basic anomaly detection and security-focused workflows

Projects

1. Anomaly Detection System for Plant Health

- Developed an AI-based plant disease detection system using Python, TensorFlow, OpenCV, and Flask.

- Achieved 92% accuracy by processing over 5,000 leaf images using CNN models.
- Built a web interface for real-time disease prediction.

2. AI Resume Evaluator

- Developed an intelligent resume evaluation system using Python, Streamlit, and Machine Learning.
- Implemented TF-IDF, Linear Regression, and PDF parsing for automated resume analysis.
- Generated resume scores and real-time feedback through an interactive interface.

3. Electrician Contractor Management System

- Developed a web application to manage contractors, electricians, job assignments, and materials.
- Implemented secure authentication, CRUD operations, and MySQL database integration.
- Designed a responsive dashboard for centralized project management.

Education

Master of Computer Applications (MCA)

UBDT College, Davanagere | 2024 – 2026 CGPA:8.0

Bachelor of Computer Applications (BCA)

BS Channabasappa First Grade College, Davanagere | 2024 CGPA: 9.0

Seminars & Presentation

- Presented technical seminars on Data Science and Full Stack Development.
- Participated in academic presentations related to Artificial Intelligence and Software Development.

Soft Skills

- Communication
- Presentation Skills
- Problem Solving
- Time Management
